

SHELL SCHEME INFORMATION

The most popular stand at the show is a Shell Scheme Package, which provides a complete package of items for your stand.

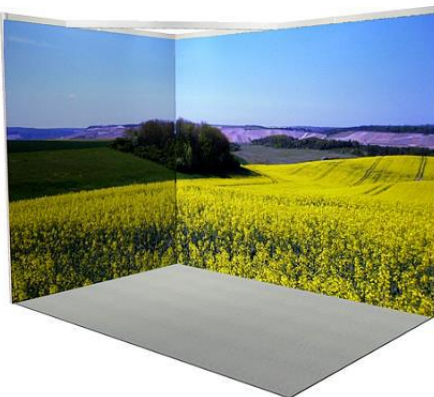

With the Shell Scheme Package, you get:

- Shell Scheme Stand and Walls
- Light grey carpet
- Fascia with a nameboard
- Electrics – 1 x 500w socket, 2 x spotlights
- Furniture – 1 table, 2 chairs

SHELL SCHEME GRAPHICS

Shell Scheme stands are built with white panelled walls. To design an eye-catching stand, there are several options to add graphics to these walls:

- 1) Full graphic clad, offering you an uninterrupted graphic display for your shell scheme walls.
- 2) Individual graphic panels, for each 1-meter wide panel. This offers you full height graphics, whilst allowing additional materials to be fastened to other panels.
- 3) MDF Clad, allows you to choose the colour of your walls and to pin, staple, glue and nail exhibits to the wall.
- 4) Alternatively, you can add your own posters, graphics and other materials to the walls using double sided velcro, sticky pads or similar fixtures that won't leave a residue.

Graphic Clad

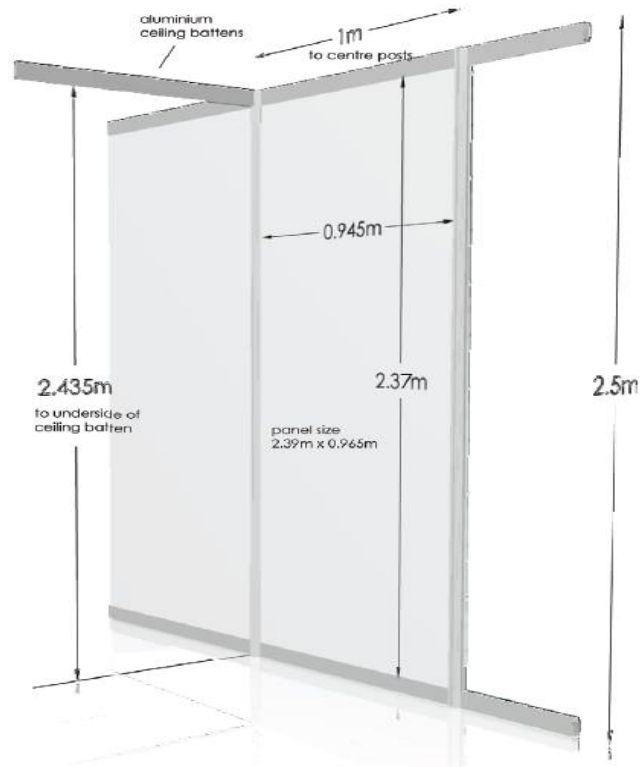

Panel Graphic

MDF Clad

If you are designing graphics for individual panels, you should consider that seen size for graphics is 950mm x 2340mm for 1m panel or 455mm x 2340mm for 0.5m panel.
